Office Hours: 7:30-7:50am, A5, B1, 2:30-3pm, or by appointment

I. Course Objectives

Students in all the choirs at Spanish Fork High School will be participants of a choral program that has the comprehensive objective of helping students become lifelong and literate musicians.

II. Course Learning Expectations

Each student will

- Learn to sing choral music from various musical periods
- Work to sing with a beautiful, focused tone
- Be an independent singer and musician, and learn sight-singing, ear training and note reading skills
- Conduct yourself in a positive manner in rehearsals and performances to be able to work successfully within a group
- Sensitively respond to the conductor's gestures, musical styles, and phrasing

III. Rehearsal Etiquette & Professional Expectations

It is expected that students will comply with both district and school policies as well as additional guidelines outlined below:

- Absolutely NO food, gum, or drink allowed in the choral room, OR its practice rooms. This includes the auditorium. The only exception and recommendation would be a water bottle for use during rehearsals.
- Students will bring a pencil and all choral music to rehearsal every day.
- Students are allowed to use the hall-pass twice per term. Students are encouraged to use the restroom, and are expected to take care of all other needs prior to class.
- Homework or study for other courses is not to be done during class time.
- In order to progress, students are expected to do their best in following directions promptly, and stay on task to facilitate the teamwork necessary to accomplish our goals.
- Students will respect everyone and everything in the choir room and school.
- Cell phones and all other electronic devices are to be silenced and stored in backpacks before rehearsal begins.
- During rehearsal, students will not talk while someone else is speaking, or while another section of the choir is rehearsing.
- Always be ready to sing on the conductor's downbeat.

IV. Daily Participation Points (40% of term grade)

You must attend class everyday. We have no text as such and any missed day means missed information and experience. This is a participation course therefore; grades for the course are based almost entirely on your participation in those rehearsals.

You have 15 participation points per class period.

- 5 points for ON TIME
- 5 points for ON TASK
- 5 points for PREPARATION and POSITIVE CONTRIBUTIONS

Being absent (whether excused or not) will result in a loss of all participation points. Because of this participation policy, students and parents are encouraged to schedule doctor and specialist appointments *after* school hours, whenever possible. Because choir is a participation class, it is extremely difficult to duplicate a rehearsal experience for students who are absent, whatever the reasons. If you are absent, you are not present to earn the daily participation points. Students are to take responsibility for all class-work, assignments, exams, mastery tests, or information/announcements they miss due to their absence, no matter the cause. This is best accomplished by asking a classmate to inform you of what was accomplished in the rehearsal(s) you are absent for, then taking personal initiative to make-up academic credit due to your absence(s).

Participation points will not be deducted for **School-Excused Absences** caused by school-sponsored activities.

Excused Absences are those excused by a parent/guardian or doctor. If you have an excused absence, you may make up lost points by completing the “Choir Absence Make-up Assignment” found at the back of the classroom.

Unexcused Absences are not tolerated and no make-up opportunities will be provided.

Loss of participation points due to behavior problems can be made up with three consecutive class periods of good behavior. See Choir Participation Points Make-up Document for full details.

Be on time to class. This contributes significantly to individual and group success.

- Attendance is taken at the very start of every class period. The start of class is activated by the bell, which once it rings, and rehearsal begins immediately.
- Late students will please sign the Tardy Sign-In sheet. Honest accuracy on the tardy sheet will ensure your attendance is recorded.
- Late students should quickly and quietly take their seats, without causing interruption or undue attention upon themselves.
- If you have a note from a parent, the office, or teacher regarding the tardy, you still need to sign the tardy log, then place the note on the clipboard with the tardy sign-in sheet.
- Tardy deductions in daily participation points cannot be made up, so plan to be consistently on time.

V. Concerts, Performances, & Extra Rehearsals (35% of term grade)

For performing ensembles, concerts are like final exams that provide meaningful opportunities to demonstrate learning and acquired skills. Because concerts happen in real-time, it is impossible to replicate the experience.

Therefore, attendance at concerts, performances and extra rehearsals is absolutely mandatory.

- **School related scheduling conflicts must be communicated with Mrs. Heder upfront and within the first two weeks of the semester.** Conflicts with non-SFHS events will not be considered. Of course extenuating circumstances (i.e. death in the family, serious illnesses, etc....) will be courteously and professionally dealt with on an individual basis.
- Depending upon the circumstance of the conflict, students may or may not be excused from the choir performance and appropriate make-up work may or may not be available for the student to complete.
- Choir students are expected to communicate with their families about choral performances that are outside of the regular school day. Since the choir calendar is available at this time, it is important that the

parent/guardian of students also plan ahead and clear conflicts that could potentially arise causing undue stress or anxiety for our students and their families.

- In preparing for a performance, extra rehearsals are scheduled as needed, most of which are already scheduled and appear on the calendar. Additional rehearsals will be scheduled with as much advance notice as possible and Mrs. Heder will strive to communicate as early as she can with the families of each choral student.
- Extra performances and rehearsals are mandatory. Be on time for each performance call time, dressed in the appropriate performance attire upon arrival, including hair styles and make up.

Points for Performance:

- On Time = 25 points
- Appropriate Concert Attire (including hair, make up) = 25 points
- Concert Etiquette = 25 points
- Compelling Performance = 25 points

VI. Assignments & Exams (25% of term grade)

Throughout the year, assignments will be provided to enhance our comprehension of the choral art we study.

- If you are absent when assignments or exams take place, it is your responsibility to contact the directors upon your immediate return, in order to obtain the assignment/exam.
- Late work is not acceptable, unless extreme circumstances prevail. Under these circumstances, students will contact the director, and together, find solutions to allow late work that will benefit student learning and academic progress.
- Assignments or exams missed due to unexcused absences cannot be made up.
- Occasionally in-class vocal evaluations (“mastery tests”) will provide students with the opportunity to demonstrate their knowledge and acquired skills.

VII. Grooming and Dress Standards (Everyday and for Performance)

Because of the nature of our rehearsal space and the choral experience, it is particularly important that students adhere to the Dress and Grooming Standards set forth by SFHS and Nebo School District. All singers must meet or exceed these standards for performances.

- During performance, all students’ hair must have a natural hair color, with both eyes and forehead visible. Men will be clean-shaven or well-groomed faces, without extreme facial hair.

VIII. Facility and Equipment

We ask that students treat all equipment (chairs, pianos, curtains, risers, etc.) with care and respect. Performing Arts students are expected to keep the building and all of the equipment we use in stellar condition, free from abuse and light-mindedness. Students will be issued a numbered music folder, which is stored in its corresponding numbered slot. Students are held responsible for that folder and the music in it for the remainder of the school year. The folder may be taken home for practice, but students must have their folder at each rehearsal in order to earn full participation points. Failure to do so will result in a reduction of daily participation points. Lost music will be fined \$2 for each piece of music not turned in (including photocopies). Lost or damaged folders will be fined \$10.

IX. Choir Tour

For members of the Concert Choir, Mosaic, and SFHS Singers, choir tour is an integral part of our curriculum. It greatly enhances and positively highlights our learning and builds musical and social unity. As explained during in the audition form for the three auditioned choirs, these students are expected to attend the tour, and are equally encouraged to participate in all fundraising offered by the school. School dress code policy applies to any traveling we do, including choir tour.

Spanish Fork High Choir Calendar (2018-2019)

This calendar is accurate and up to date as of August 15, 2018 but is subject to change. I will do my absolute best to alert parents and students in a timely manner when changes need to take place. Students must make arrangements to their schedules in order to attend all events that involve them. Members of SFHS Singers need to be especially aware of additional invitations to perform in December.

Weekday church activities, family vacations and work are not valid excuses for missing performances. Off-campus practices, clubs, teams, companies and non-UHSAA related events are not valid excuses for missing performances. The only exceptions for missing a performance and receiving a make-up opportunity will be for severe illness, family emergencies, school events, or events such as weddings or funerals, which will be dealt with on an individual basis.
